Cessation of the Sunday 9am Mass The Sunday 9am Mass began back in the middle of May 2020 "overflow" and "covid-safe" Mass. Social distancing measures meant that we could not accept roughly 80 people in church at any one time and the 11am Mass had reached capacity. Now the restrictions no longer exist, and the 9am Mass has an average attendance of only around 30, it has been taken that the last 9am Mass will be on Sunday 30th April. This will enable me to be better for hospital calls for an extra 2 hours on a Sunday morning (not an easy time to find a priest) and supply in other parishes, eg Tunstall, Birches Head and Trent Vale. I realise this decision will cause disappointment and inconvenience and I thank you for your understanding. Fr Michael

Lourdes: time with the Lord, time with one another, in the company of Mary. Archbishop Bernard has produced a video for us to this year's Diocesan Pilgrimage to Lourdes in a new video. He says: "Every pilgrimage to Lourdes is very special for the individuals who come here, but to be here as a group is also really important. It's a place where we can witness to our faith together, one another and also draw inspiration from all the pilgrims who come here from around the world. Our Lady has invited us to come here to be closer to Christ to strengthen our own mission as we go back to our homes and our churches. So here we are, together, in the company of Mary."
